Ashiatsu Oriental Bar Therapy Health Form

Please check the following conditions that apply to you. Our company holds customer safety and guest comfort during sessions our number one priority:

- | | |
|--|---|
| <input type="checkbox"/> Pregnant or trying to get pregnant (<i>Females</i>) | <input type="checkbox"/> Breast implants in the past 9 months |
| <input type="checkbox"/> Boils, skin lesions or abscesses | <input type="checkbox"/> Varicose Veins |
| <input type="checkbox"/> Recent eye procedures; example Lasik | <input type="checkbox"/> Thrombosis/Aneurysm |
| <input type="checkbox"/> Kidney disorders | <input type="checkbox"/> Recent bowel or hernia surgery |
| <input type="checkbox"/> Active phlebitis/cellulites | <input type="checkbox"/> Uncontrolled high blood pressure |
| <input type="checkbox"/> Pacemaker, stent or shunt | <input type="checkbox"/> Osteoporosis (advanced stage) |
| <input type="checkbox"/> Any recent (acute) injuries or surgeries | <input type="checkbox"/> Cancer |
| <input type="checkbox"/> Taking blood thinning medications | |

If you have checked any of the above conditions, Ashiatsu Oriental Bar Therapy is not for you at this time and will not be performed without the written consent of a Physician.

During your “Ashi” treatment, I prefer to keep the compression at a therapeutic level that I feel is comfortable and safe for you. If you request for more compression on a higher level than that of the therapeutic range I am delivering and you would experience pain, stiffness, soreness and skin irritations, marks, headaches, sinus congestion, bruises or any injury or condition, I, Shelle Moran LMT, will not be held liable.
